Lou,
See the message from Samantha below. We do have an earlier fact sheet that Scott prepared – so it's pretty old, but appears to follow the same format.

I know you're swamped, so I was thinking of asking a SSC to draft a new fact sheet based on the old fact sheet, current template, and updating with the current Tox Review. Hopefully that will get us 90% of the way there. Thoughts? If you prefer to generate one, that's fine, but I expect you could use the time for the transition.

Sue
